Webshield High Blacklist Filtering Profile

Below is an overview of the different categories and functions that are available through Webshield filtering technology

We have ticked which ones have been filtered for this profile. If you want any further changes or adjustments let us know.

Webshield offers specialised filtering plans such as:

Partner contracts - where only an authorised party can change your profile

Pass word profiles - where a pass word needs to be quoted before changes are made

You need to communicate these choices with us otherwise the primary account holder will be notified of any changes requested and our policy of *freedom of choice* applies

All sites which are not categorised by the filter are Passed
